UNCLAS WA RELAY LD

038 993 HELF FOR SHERINGHAM (INFO SEELY/MORGENROTH)

FROM KRIEBEL HN 479

RE YOUR LD 910, WILL COMMENCE FILING SOON AS NECESSARY INTERNAL
ARRANGEMENTS LAID ON. AS THE WORDS MORSE OR RADIOTELETYPE ARE NOW
OMITTED FROM LOGOGRAPHS, ALL COPY WITH PRENSA LATINA LOGO MAY
BE REGARDED AS FROM MORSE SERVICE UNLESS THE PHRASE QUOTE
RADIOTELETYPE SERVICE UNQUOTE APPEARS AS A SEPARATE LINE FOLLOWING
THE LOGOGRAPH. THE HAVANA RADIOTELETYPE TRANSMISSIONS TO
BUENOS AIRES AND TO SANTIAGO DE CHILE HAVE BEEN DISCONTINUED.

PAGE TWO RUEPHN 017B

AND THE ONLY TELETYPE SERVICE NOW AVAILBALE IS THE TRANSMISSION
TO PRAGUE. AS THIS IS A LIMITED FILE, ECB COVERAGE AT PRESENT IS
NORMALLY DERIVED FROM THE MORSE SERVICE. PRENSA LATINA HAS BEEN
EXPERIMENTING WITH A GENERAL RADIOTELETYPE SERVICE TO SOME OF ITS
LAATIN AMERICAN RECEIVERS FOR SEVERAL MONTHS BUT APPARENTLY HAS
BEEN UNABLE TO SOLVE ALL TECHNICAL PROBLEMS. ITS TESTS ARE
CONTINUING. IF IT SHOULD BECOME A REGULAR SERVICE, IT WILL
PRESUMABLY BE SENT ON SAME BASIS AS MORSECASTS AND NOT RPT NOT
REQUIRE DIFFERENTIATION FROM LOGOGRAPH. HOWEVER, WHEN AND IF SUCH
SITUATION MATERIALIZES, WILL REVIEW AND ADVISE.
